SPORTS ACADEMY

TOUR PROGRAMME

George, South Africa - Northern Ireland
14th September - 3rd October 2010

OAM SPORTS ACADEMY

The Vision for OAM Sports Academy is through sport, to educate and nurture young people that they may be equipped and enabled to empower themselves in life and in sport.

The OAM Sports Academy launched in January 2008. The ministry is part of Out of Africa Missions which is situated in George, in the Western Cape of South Africa.

Out of Africa Missions is based in George, South Africa and operates a variety of projects aimed at uniting individuals, ministries, organisations and churches in demonstrating God's love and mentoring people to make a difference in their communities.

A typical session includes collecting the children from their schools and bringing them to the sports fields at the local University. We have recently been blessed with the truck pictured on the right. It has been invaluable in collecting everyone in one big pick up. The singing from the back can be heard from afar!

The children get some lunch and are split off into their different year groups to work through a pre-planned bible study or life skills session.

After study its game time and the children are coached and trained in their specific sports, either rugby, soccer or netball.

The idea to try and plan a tour for the boys began back in 2009 with football fever hitting South Africa in preparation for the World Cup. The majority of OAM Sports Academy's support comes from churches, companies and individuals in Northern Ireland, so we thought that it would be an amazing opportunity for the boys to experience the trip of a lifetime to the otherside of the world, and also to personally thank our supporters and create new links and relationships with other schools and teams.

The football team have had a very successful first season playing together. They beat off some stiff competition to win the the George Under 17 League and at the end of August won a district tournament. They are very excited to compete against some Northern Irish Schools and Youth Teams.

We would like to thank everyone who has helped make this tour possible. All the schools, churches and individuals who got behind the idea and helped to raise the finances required, we are so thankful and hope you will get to personally meet the boys and hear more about Sports Academy and how it has impacted their lives.

Please check out our websites and contact us if you would like to know more about Out of Africa Missions or visit us in South Africa as a team or individual.

Friday 1st October: **MATCH DAY: Belfast Royal Academy**
Ulster Rugby Match (PM)

Saturday 2nd October: Fun Day TBC

Sunday 3rd October: Depart for South Africa

“Vision without action is a dream. Action without vision is simply passing the time. Action with Vision is making a positive difference.”
Joel Barker

As the final preparations are being made and the OAM Sports Academy leave on their UK Soccer Tour 2010 the above quote could not be truer. This vision was birthed at the beginning of 2009 with time, so many people have jumped into action to make a positive difference to the outcome of this story. I want to thank each sponsor for investing in the lives of these young men. I would also like to encourage the Academy students to use this time wisely and embrace this opportunity not only for themselves, but for their family and friends as well. May we never lose sight of the fact that all of this would not be possible without the Lord Jesus Christ being the centre of our Vision.

Pierre Bartels
Out of Africa Mission Director
